

Deer Creek Elementary Arrival/Dismissal Procedures

As you pull into the parking lot, proceed around the loop to the right. Stay in the far right lane to drop-off and left lane to park. Pull as far up as the car in front of you as seen on the map below – three cars after the crosswalk and four cars before the crosswalk. PLEASE do not block the crosswalk and always yield to pedestrians. When you exit the parking lot, it is a RIGHT TURN ONLY. All Cars that are picking up car riders must display the Antler Pick-Up Tag with the name of the child clearly written on it. If parent/guardian is parking, all students must be accompanied by an adult in the parking lot at all times. Students are not to be dropped off in the front parking lot. Please put away electronic devices and be alert to staff and their directions at all times. When driving off, make sure seatbelt and/or car seat is secure. Always be patient and courteous to other drivers and people.

****There is absolutely NO DROPPING OFF OR PICKING UP of students on Lone Oak Drive at any time or in our bus loop area. If students are car riders or parent pick-up/drop-off, all parents and guardians must go through the car rider loop or park in our front parking lot and walk.****
